SACRAMENTS

BAPTISM

For infants it is celebrated within the parish community at Sunday Masses. The Sacrament of Baptism presumes that parents are registered and participating parish members. The actual ceremony is scheduled upon completion of preparation process for parents that provide an opportunity to reflect on the meaning, commitment and practical aspects of the baptism of their child. Preparation sessions are held the third Sunday of each month following the 11AM Mass. Leadership is provided by the baptismal preparation team, which includes the pastor. It is preferred that the preparation session take place during the period of pregnancy. Baptism for adults is received through the Rite of Christian Initiation of Adults program. Reception of this sacrament through RCIA is an on-going process based on pastoral readiness, which includes a thorough period of parish-based catechesis.

CONFIRMATION

The sacrament is received through Faith Formation/Youth Ministry process that encompasses at least two (2) years of continuous faith formation. According to updated diocesan guidelines, candidacy can be declared during early adolescence. Adults are invited to Confirmation through the Rite of Christian Initiation of Adults (RCIA).

SMALL CHRISTIAN FAITH COMMUNITIES/RENEW

RENEW is a spiritual renewal process to help parishioners develop a closer relationship with Christ, to make an adult commitment to Jesus as central in their lives and to open them to the power of the Holy Spirit so that they become more authentic witnesses. Since RENEW invites the total parish, including inactive members, to participate together, since it is renewal encouraged by the parish priest and organized by parish leaders, since all phases of RENEW are experienced in the parish, it is more than renewal of individual persons. It is parish renewal and creates a spiritual climate throughout the parish community in the development of small Christian communities.

CHILDREN'S LITURGY OF THE WORD (ages 6-11)

STEWARDSHIP COMMITTEE

Stewardship is based on the spiritual principles of the Old Testament and the teachings of Jesus and where it has been practiced, lives have been changed. Stewardship is a way of life, a way of thanking God for all His blessings by returning a portion of the time, talent and treasure given to us. Stewardship involves intentional, planned and proportionate giving of our time, talent and treasure. It is the purpose of the Stewardship Committee to create a greater understanding of this biblical principle and actively apply it into the parish. A BRIEF HISTORY

On the Feast of St. Luke, 1987 a handful of people gathered in the movie theater of Matthews Festival to initiate a new parish named for the illustrious physician, Luke. Father Joe Mulligan, our founding pastor, in his first homily, called on his small flock to honor their patron saint by becoming a “healing presence in the community.” From the beginning, a portion of our weekly offering was to be set aside for the needs of the poor. So began this parish community, committed to the ministry of justice, peace and compassion for the poor and suffering, committed to making a difference in the larger community around us.

Throughout that Fall season we continued to meet each Sunday at the movie theater. This required bringing absolutely everything we needed back and forth for the celebration. By the time Sunday Liturgy was over, we could smell the popcorn being prepared for the early matinee.

By December Father Joe had found what was to be our first real parish home in a storefront in a shopping plaza called MINT HILL FESTIVAL. It was located between Eckerd Drugs and Movie Mania (currently a Ladies Fitness Center.) After necessary renovations we were able to celebrate Christmas in our new home. For the next seven years we worshipped, worked, played and celebrated in this storefront Church. The intimacy of the setting helped us develop a strong sense of community, which we continue to foster in our larger home. From the beginning, our parish was formed in a spirit of mutuality and collaboration, with monthly town meetings to give all who wished a voice in this developing parish.

Through the hard work and generosity of our parishioners we were finally able to build a permanent home on fifteen acres which the Diocese had for this purpose. Our present building was completed and ready for the celebration of the Feast of St. Luke in 1994. Since then we have added the administration and education wings to the original building.

As new members join us here at St. Luke, we urge you to get involved and continue to build on the wonderful spirit with which we have begun so that St. Luke parish may continue to “be a healing presence” in the community around us.
